

of the Governor General, visited him repeatedly; Bishop Wilson, of Calcutta, came to ask his parting blessing; the native Christians never forgot to pray for him."

The great Scotch missionary, Alexander Duff, was one of his visitors. "On one of the last occasions on which he saw him—if not the very last—he spent some time talking chiefly about Carey's Missionary life, till at length the dying man whispered, 'Pray.' Duff knelt down and prayed, and then said, 'good-bye.' As he passed from the room, he thought he heard a feeble voice pronouncing his name. He stepped back, and this is what he heard spoken with a gracious solemnity: 'Mr. Duff, you have been speaking about Dr. Carey, Dr. Carey; when I am gone, say nothing about Dr. Carey—speak about Dr. Carey's Saviour.'" Only this would he have cut upon his tombstone—

## Among the Churches

### Special Notice

Ere this notice appears in the EVANGELIST, statistical blanks will have been mailed to the pastors of the Brethren church. An effort is being made to place a blank in each church, so, if you are not pastor, hand blank to secretary of church. Let me give the following suggestions:

1. Use a separate blank for each church you serve as pastor. If in need of more blanks, write me.
2. Fill blanks as accurately as you can and return at once so as to give time for the compilation of the data.

3. Should you be absent from your charge send blank to secretary of the church.

4. I desire the name and address of the secretary of every church. Will not you, brother secretary, send me your name and address, and name of your church on a card at once?

I desire to be as complete in our statistics this year as possible. Data at hand gives me a total of 180 congregations, located as follows:-

Illinois, 6; Iowa, 12; S. Dakota, 1; Wisconsin, 1; Michigan, 6; Washington, 1; Oregon, 1; Idaho, 1; California, 5; Missouri, 6; Kansas, 17; Nebraska, 3; Oklahoma, 1; Indiana, 46; Ohio, 23; Penna. 29; D. C., 1; N. J., 1; Virginia, 16; West Virginia, 1; Maryland, 2.

Brethren of each state, have I the correct number of churches in your state, and if not will not you help me to obtain a correct list by writing me?

I desire the return of all blanks by July 25th, so fill them out and return at once. I have a correct list of the Indiana churches, but lack names of a few secretaries. I desire to thank Brother Talley for roster of Illiokota churches; also Brother Shively of California and Brother Moomaw of S. W. Va. for data.

May I not urge the other districts to put forth the same spirit of help?

### Milledgeville Notes.

The hot summer season finds us somewhat drowsy, but not entirely asleep.

Our love-feast in the last week of June was very well attended, considering the fact that the mercury registered nine two degrees in the church at ten o'clock P. M. We missed the Lanark brethren who are accustomed to meet with us in these services. I suppose it was too hot to drive their teams that distance.

This week we held a council meeting, and decided to remodel our church in general and to add a much needed Sunday school room. A building committee was appointed and as nearly the amount of money needed for the work has already been subscribed we hope to soon be able to do more effective S. S. work. The present pastor, having served the church nearly three years, received a unanimous call to remain as pastor, not simply for another year, but for an indefinite number of years, or so long as pastor and people feel they are able to do good work together. I think this is a step forward, as the hiring of pastors from year to year places the ministry too much upon a commercial basis.

The missionary spirit is not yet dead with us and we were urged at our council meeting to take up our missionary offerings more frequently.

Peace and harmony prevail. Spiritual life at too low an ebb. But that is the case nearly everywhere. Have one applicant for baptism. Prospects are for more. Will celebrate communion in the near future. Will make an effort to be represented at National Conference.
